

## Waiting Area Bench - SJ9090

## Product Description

### Technical Specification:

- Sharing Armrest
- Back Sponge : high density Polyurethane (Medical Grade PU) with metal frame inside. fire retardant molded
- Medical Grade PU Leather foam.
- Cover: aluminum alloy material, die casting molding
- Feet: high quality aluminum alloy material, large precision casting mold.
- Die casting after direct polishing, electrostatic powder spraying treatment.
- Beam: high intensity hexagonal metal tube, with superior load bearing capacity and stability.
- Bracket: high quality aluminum alloy material, large precision casting mold

- Seat : high density Polyurethane (Medical Grade PU Leather) with metal frame inside.
- Armrest: Die casting aluminum alloy with polish treatment and sprayed with static powder.
- Including Charging Socket (2 Universal Power USB A+C)
- Color: Seat and Back Bright Green (SJ-PU 05) Chair
- Size:1850\*650\*890 mm
- Coffee table Size: HPL Material : 530\*530\*12 mm
