

Sofa- MOON

Product Description

Technical Specification:

Moon-Inspired Design - Inspired by the moon's waxing and waning phases, the sofa is crafted in two crescent shapes that together form a striking full moon.

Versatile Arrangement - The two crescent sections can be placed separately or combined to create a playful and unique seating arrangement.

Elegant Curved Silhouette - Smooth upholstered curves and a gracefully arched backrest deliver a soft, modern aesthetic.

Ergonomic Comfort - The backrest is gently tilted for optimal support, while the seat is designed with a slight retraction to provide ample legroom.

Functional Top Surface - The flat top surface allows temporary storage of essential items, maximizing practicality in small or large spaces.

Space-Saving Design - Ideal for both residential and commercial interiors, offering comfort without compromising on space.

Premium Upholstery - Soft-touch fabric enhances comfort while adding a luxurious look and feel.

Product size: 2110*1090*710 mm
