

Sofa- MULTI

Product Description

Technical Specification:

Thousand Layer Sofa - Modern Elegance with Layered Comfort

Architectural Inspiration - Inspired by the rhythmic lines and layered surfaces of modern skyscrapers, bringing a dynamic, contemporary feel.

Distinctive Layered Design - Combines lines, surfaces, and soft curves to create a unique yet understated personality.

Double-Layer Enclosure Structure - Features an outer screen wrapped on three sides for privacy and style.

Cotton-Stitched Thousand-Layer Texture - Modern sewing techniques create a sophisticated, rhythmic concave-convex surface.

Premium Down Filling - Inner backrest, seat cushions, and pillows are generously filled with down for softness, fullness, and exceptional comfort.

Ergonomic Wrapping Comfort - Provides a snug, enveloping seating experience ideal for relaxation.

Rounded Corners - Ensures safety and enhances the sofa's soft, welcoming look.

Perfect Fit Construction - The seat cushion and outer screen align seamlessly for a sleek finish.

Independent Pillow Design - Adjustable pillows allow personalized comfort for different sitting positions.

Versatile Usage - Ideal for offices, lounges, negotiation areas, leisure spaces, and home interiors.

Wide Color Range - Multiple color options for easy coordination with any interior style.

Single Seater: -980*840*800mm

Two Seater: 1820*840*800mm
