INTRODUCTION

Incorporated in 2006, AMFAH General Trading has been a leading player in the furniture industry in the UAE region with a strong belief in providing global quality products with innovative designs. We are the biggest stockist of the broad variety of premium commercial furniture with three big warehouses in different states.

We are also offering free project-based Initial budget quoting providing different product design options and estimate the total project cost by evaluating the Return of Investment.

We are expertise in setting up office spaces allowing them to collaborate with international manufacturers for specific solutions at affordable prices. Our stellar testimonials show delighted customer experiences from government institutions and private businesses alike in Dubai and the Middle East.
